IT'S A LIE

TRUMP'S INFRASTRUCTURE PLAN

AND IT LEADS US NOWHERE

Don't let Trump's toxic lies destroy America's infrastructure.
Trump will jeopardize your job with his crumbling, anti-union economic plan that means less work for our members. Trump’s infrastructure plan is broken and uses money that doesn’t exist. His long-term plan for building roads is a fraud. Do not believe Trump’s lies!

America needs to rebuild its infrastructure using quality, trained UBC members. We need a leader who can help promote and protect our union ways. This is critical for building jobs, building wages, and building up the middle class.

Vote to protect your family’s future. Can we count on you to vote November 8th?
